### Purchase TuneCable Spotify Converter for Win

#### Quick Link:

To learn more and download the latest version of TuneCable Spotify Converter for Windows, please visit its homepage:

- ❖ [Visit TuneCable Spotify Converter for Windows Homepage](#)

To buy a license key for TuneCable Spotify Converter for Windows, please visit its online store:

- ❖ [Purchase TuneCable Spotify Converter for Windows](#)

#### 1. Why should I buy the Windows version of TuneCable Spotify Converter?

TuneCable Spotify Converter Windows version is a shareware. The trial version only allows you to convert the first 1 minute of each audio for sample testing. After purchasing the program, you will be provided with a license with your user ID and key code to unlock this limitation.

#### 2. What benefits do I have after registration?

- You can enjoy the full functions and features of TuneCable.
- You can enjoy lifetime FREE upgrades of the latest versions of TuneCable.
- You can enjoy FREE technical support.

## Register TuneCable Spotify Converter for Win

**Step 1.** You can directly click the "Sign In" tab in the lower left corner or click the top-right "Menu" button and choose "Register" in the drop-down list, and you will get the registration interface.

**Step 2.** Copy and paste the registration Email and Code into the registration box, and then click the "Register" button.

**Note:** The registration info is case-sensitive. And, please do not add a blank at the beginning or the end of the word. Make sure both the email address and key code are the same as what we provided in the confirmation email after purchasing the program. If not, an error message will show:

## Installation & Interface

- [Tools on TuneCable Spotify Downloader](#)

### Download Music from the Spotify App / Web Player

TuneCable Spotify Downloader supports downloading music from the Spotify app and the Spotify web player. You can download music in original quality at up to 10x conversion speed. Follow the same steps to download Spotify songs

#### Step 1. Run TuneCable Spotify Downloader

Launch TuneCable Spotify Downloader on Windows. On the primary interface, click **"Switch to App"** or **"Switch to Web Player"** to select a download source. Based on your decision, the Spotify app or web player will open automatically. If not, click **"Load App"** or **"Load Web Player"**. Please sign in to your Spotify account. A free Spotify account is allowed.

## Step 2. Add Tracks or Playlists from Spotify to TuneCable

To add songs to TuneCable, there are three methods.

- Method 1. Drag and drop a song, playlist, album, or podcast from the Spotify app to the designated area of TuneCable. (Only available when downloading music from the Spotify app)
- Method 2. Copy and paste the link into the parse bar and press the Enter key.
- Method 3. Hit the **"Click to add"** button floating in the bottom right of the Spotify Music.

### Step 3. Select Spotify Music Tracks

TuneCable will read and load the songs on a popup. Select the songs and click "**Add**".

#### Step 4. Set Preferences of TuneCable Spotify Downloader

Click the "**Settings**" tab in the left bar, and then there will be an interface that allows you to set the output parameters.

- **Conversion Mode:** Intelligent Mode, Convert Mode, YouTube Mode
- **Output Format:** Auto, MP3, AAC, WAV, AIFF, ALAC, FLAC
- **Bit Rate:** 128kbps, 192kbps, 256kbps, 320kbps (available for MP3, AAC)
- **Bit Depth:** 16 bit, 24 bit (available for WAV, AIFF, ALAC, FLAC)
- **Sample Rate:** 44.1kHz, 48kHz, 96kHz, 192kHz
- **Conversion Speed:** 1x to 10x
- **Output Folder:** To your preference
- **Output File Name:** Track Number, Title, Artist, Album, Playlist Index, Year
- **Output Organized:** None, Playlist, Artist, Album, Artist/Album, Album/Artist, Playlist/Artist, Playlist/Album

#### Tips:

1. To save the original quality and source format, select "**Auto**" from Output Format. Besides, it is recommended to select "**Convert Mode**" as the conversion mode.

2. To download music from Spotify app or web player, use **Convert Mode**. If your network connection is unstable, switch to **YouTube Mode** to download the same song from YouTube.

**Intelligent Mode** means TuneCable automatically switches between downloading music from Spotify app / web player or YouTube based on your network condition.

3. To maintain playlist sequence in downloads, navigate to TuneCable's lower left "**Settings**". Under "**Output File Name**", retain "**Playlist Index**" and "**Title**". In "**Output Organized**", select "**Playlist**".

### Step 5. Start Converting Spotify Tracks

If you prefer to add more songs to this batch, click on the "**Add More**" button on this page, and repeat the steps to add more target songs. When finish adding, click the "**Convert**" button to start converting at your selected speed.

The screenshot shows the TuneCable Spotify Downloader interface. The left sidebar contains navigation options: Music, Converting, Converted, Tools, Settings, and Feedback. The main area displays '3 songs, total duration 00:08:52'. Below this, there is a checkbox for 'Put computer to sleep when finished' and three buttons: 'Add More', 'Delete All', and 'Convert'. A table lists the songs:

TITLE	ARTIST	ALBUM	DURATION
I Love You, I'm Sorry	Gracie Abrams	The Secret of Us	02:37
Love Somebody	Morgan Wallen	Love Somebody	03:25
APT.	ROSÉ, Bruno Mars	APT.	02:50

At the bottom left, there is a support email address: support@tunecable.com.

The screenshot shows the TuneCable Spotify Downloader interface during the conversion process. The 'Converting' option is selected in the sidebar. The main area displays the album cover and title 'I Love You, I'm Sorry' by Gracie Abrams. Below the title, it shows 'Finished : 0% ( 0 / 3 tracks )' and 'Time : 06:59'. There is an 'Abort' button and a checkbox for 'Put computer to sleep when finished'. The table below shows the progress of the first song:

TITLE	ARTIST	ALBUM	DURATION
I Love You, I'm Sorry	Gracie Abrams	The Secret of Us	02:37
Love Somebody	Morgan Wallen	Love Somebody	03:25
APT.	ROSÉ, Bruno Mars	APT.	02:50

At the bottom left, there is a support email address: support@tunecable.com.

## Step 6. Find Converted Spotify Tracks

After conversion, click the "**Converted**" tab to find your converted Spotify music.

## Tools on TuneCable Spotify Downloader

TuneCable Spotify Downloader offers tools like Export to iTunes, AA/AAX Converter, Format Converter, and Tag Editor to give you convenient use. To learn detailed instructions, you can check the [Tools guide page](#).
